Telecommunications Services and for	)	
Flexible Regulation of Its Local Exchange	)	

This matter comes before the Public Service Commission of South Carolina (the "Commission") on the request of Spectrotel, Inc. ("Spectrotel" or the "Company") for approval of a modification of the Company's name by which it will be doing business in South Carolina. Spectrotel proposes to adopt OneTouch Communications and Touch Base Communications as "doing business as" (d/b/a) or trade names with regard to offering telecommunications services in South Carolina.

Spectrotel is presently certificated by this Commission to provide local exchange and resold interexchange telecommunications services within the State of South Carolina pursuant to the authority granted in Order No. 2004-390, issued October 11, 2004.

Upon receipt of Spectrotel's request, the Commission's Clerk's Office instructed the Company to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the request. The purpose of the Notice of Filing was to inform interested parties of the request of Spectrotel and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Company

complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

By informational filing received June 30, 2010, Spectrotel advised the Commission that the Company had changed its name to Spectrotel, Inc. d/b/a OneTouch Communications d/b/a Touch Base Communications. According to Spectrotel, existing customers of the Company will not be affected by the addition of the trade names in that services under d/b/a OneTouch Communications and d/b/a Touch Base Communications will be marketed only to new customers. Spectrotel's revised tariff reflecting the Company's new name along with copies of the Company's Trademark/Service Mark Registrations issued by the South Carolina Secretary of State were attached by Spectrotel to its request.

After review and consideration of Spectrotel's request, the Commission concludes that the request is for the addition of "doing business as" (d/b/a) or trade names to Company's name only and that there will be no changes to the Company's telecommunications operations in South Carolina as a result of the name modification. We, therefore, find that approval of "OneTouch Communications" and "Touch Base Communications" as trade names to the Company's name should be granted.

IT IS THEREFORE ORDERED:

1. That the request of Spectrotel, Inc. for approval of the addition of "doing business as" (d/b/a) or trade names to the Company's name is approved, and Spectrotel, Inc. is hereby authorized to utilize "OneTouch Communications" and "Touch Base Communications" as trade names for its telecommunications services provided in South

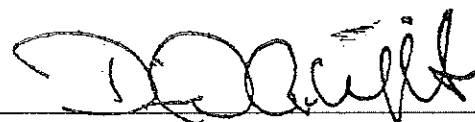

Carolina. Accordingly, the Commission's records will hereby be amended to reflect the adoption of the trade names of "OneTouch Communications" and "Touch Base Communications".

2. This Order shall remain in full force and effect until further Order of the Commission.
